Agreed pricing

Monthly retainer service

We provide *unlimited* legal services in the ordinary course of business, under an agreed monthly retainer. We specifically tailor the retainer for each client's size and needs, and agree the price with our

clients upfront. This means our clients have certainty in their legal budget, and confidence that all their day-to-day legal needs will be taken care of.

We can also undertake any matter for an agreed price. We never charge by the hour.

What our clients say

“ We have found the unique service provided by Source Legal to be an outstanding solution that fits our business. It really does feel as though we have our own in house legal counsel at a very cost-effective price, whom we can call upon immediately to provide anything from advice on simple matters through to the most complex of legal dilemmas our business faces today. ”
