

Look after your people and business with our unlimited, practical, cost-effective HR services

With so much invested in your people, it's important to ensure they are supported and rewarded to maximise performance and ensure business productivity. It's equally important to ensure you have the correct people strategies in place to protect your business.

Source Legal provides **unlimited**, specialist HR support, tailor-made for your organisation at a pre-agreed price, working closely with our employment law specialists to ensure your business is compliant and protected at all times. Our HR business partners work with you just like an in-house HR manager – so your business gets the support and services you need.

BUDGET CERTAINTY

We always work on an agreed price basis, with no hidden fees or hourly rates.

Agreed monthly retainer

With our monthly retainer we provide unlimited HR support that is tailored to your business needs, for an agreed monthly fee.
